Make the most of your Erasmus+ experience!
Erasmus+: changing lives, opening minds

Erasmus+ is aimed at boosting skills and employability, as well as modernising Education, Training and Youth work.

Erasmus+ contributes to promoting cooperation, diversity and multilingualism.
Erasmus+: learn anywhere

With 4 MILLION participants by 2020, Erasmus+ is a unique opportunity to study, train, gain work experience or volunteer abroad.
As languages are the heart of **mutual understanding** and **comprehension**, it is essential to promote language learning for Erasmus+ mobility participants.

To support you, we have implemented the [Online Linguistic Support (OLS)](https://www.erasmusplus.org).
As a mobility participant, you have the opportunity to assess and improve your skills in the foreign language you will use to study, work or volunteer abroad.*

*The results of the OLS language assessment will not prevent you from taking part in the mobility.
Before and during your stay abroad, you have the opportunity to improve your language skills with the OLS in the following languages: BG, CS, DA, DE, EL, EN, ES, FR, HR, IT, HU, NL, PL, PT, RO, SK, FI & SV.

Take advantage of it!
The Erasmus+ OLS language assessment

The OLS language assessment is compulsory for Erasmus+ mobility participants having one of the available OLS languages (listed previously) as their main language of instruction, work or volunteering.¹

If you are a Higher Education student, taking the OLS language assessment is a prerequisite to your mobility.²

¹ with the exception of native speakers
² except in duly justified cases
Welcome to the Erasmus+ OLS!

Once selected for Erasmus+, you will receive an email with your personal credentials. Log on to www.erasmusplusols.eu and take the OLS assessment!
Check your language level!

The Erasmus+ OLS language assessment consists of **55 questions** and takes approximately **30 to 35 minutes**. It is **progressive** and **adapts** to your language level.
See your results instantly

Immediate results
Find out your level for each of these skills!

Determine your level in each of these skills, according to the CEFR*
